ABOUT UPM'S GRADUATE SCHOOL OF MANAGEMENT

The Graduate School of Management at Universiti Putra Malaysia (GSM-UPM) was selected in 2007 to be nurtured to become one of the nation's top business schools and a graduate business school of international repute. GSM-UPM is a destination of choice for many who aspire to further enhance their management skills through post-graduate management education. As a centre providing excellent post-graduate management education in the Asia-Pacific region, GSM-UPM strives to produce innovative leaders who are socially responsible and able to adapt to changes in the global business environment by incorporating a variety of pedagogy approaches in its programmes to bridge the theory/practice gap and to shape future leaders with strong ethical values. It is such commitment from GSM-UPM that sets it apart from others.

GSM-UPM now offers a range of post-graduate management programmes: Master of Business Administration (MBA), Master of Management (MM), Master of Science (MSc), and Doctor of Philosophy (PhD). Over the years, GSM-UPM has produced more than 5,000 post graduates in various management disciplines and significantly contributed to the country's human capital development, and its economic growth.

MASTER OF MANAGEMENT (MM)

The Master of Management (Information Technology) is designed for those who would like to advance their knowledge and aspire to be successful managers in the information technology and other business sectors.
